Volume 17, Issue 6

June 2017

## FROM THE ADMINISTRATOR

Welcome to the June newsletter.

With the warm weather, a lot of residents and families want to be outside to enjoy it. When you would like to be outside, remember you can go out by the main dining room or the solarium, instead of out in front by the parking lot. We have also poured concrete and set up a patio table outside the Therapy Department. Taking advantage of these areas cuts down on the number of alarms and alarm resets the staff has to take care of and makes their days much smoother. Remember to let a staff member know that you are taking a resident outside no matter what area you choose. Also make sure a resident doesn't follow you out the door.

We are noticing a large number of phone calls coming in on our main line (906) 485-1061. The last page of the newsletter has the phone numbers you can use to reach staff members directly. Please use these numbers and help out our Receptionists.

We are gearing up for the 4<sup>th</sup> of July parade. We are building a float again and will be taking interested residents to watch also. If you'd like to help at the parade, let Tina Koski know in the Activities Department.

## EMPLOYEE OF THE MONTH

June 2017

### Marty Nothelfer

Nominated by 26 Employees

Marty really does his best to do a job where he is always the bearer of bad news. He knows the employees and schedule inside and out. He is fun to work with and has come up with some good ideas to deal with scheduling issues.

**MCMCF is a certified facility.**

We are looking forward to offering more personalized Music in our facility. The benefits of personalized music can include increased awareness and decreased anxiety, depression and pain. We are in the process of providing I-pods to all of our residents loaded with their music. Very soon, we will begin in-depth music assessments to help us identify not only the artists but the specific songs each resident loves. After all, everyone has their own TV, why not their own music.

We are seeking donations of I-pods, monetary donations to buy I-pods and volunteers to help in several areas. If you would like to help in this very worthwhile process please contact Tina at 204-1021 or Brooke at 204-1093.
