*Welcome to the March Newsletter
From the Administrator*

The COVID positivity rates in Marquette County have been declining steadily allowing us to restart group dining and group activities. We are hopeful this trend continues as it has been a great relief for both residents and staff.

Since the positivity rate does remain relatively high, we will not be changing the PPE requirements for either staff or visitors.

Lately the weather has been unpredictable. Lots of below zero or snow. I'm hoping this is a sign of an early Spring!
