FROM THE ADMINISTRATOR

Welcome to the May newsletter. May is a busy month with National Nurse's Week, National Skilled Nursing Care Week, Mother's Day, and Memorial Day.

Despite the unusual late season blizzard, nearly all of our staff was able to dig out and make it in to work. What a great, dedicated group of employees! Thank you all for your efforts to get to work and help out our residents.

Our construction project has begun despite the massive snowstorm. We apologize for any inconvenience this may cause, such as closing off parts of the parking lot. We are asking employees to car pool as much as they can to reduce the number of vehicles in the lot. By the time you read this, the area where the new addition is going to be built should be clear. I welcome any questions you may have about the project. Unfortunately, the boardwalk will be closed this summer due to construction. However, the front of the building will be a great place to watch the work going on.

As the temperatures begin to rise and the flowers begin to bloom, we encourage everyone to utilize our outdoor areas. We have a beautiful enclosed courtyard off of the main dining room that may be used along with a concrete patio outside of the Therapy Room. Fenced in areas at the end of the 500 and 600 wings are available as well. These areas provide a quiet, comfortable area for your enjoyment. If you need assistance at any time, please ask any staff member for help. We have included a map of the outside areas in this newsletter to help you identify the areas you can take advantage of.

Jerry Hubbard

Reminders:

- *Please remember to sign your loved ones out of the building if you are planning on leaving the property with them. All you need to do is stop by the nurse's station and sign the LOA Book.
- *Visiting pet records must be provided prior to the pet visiting the facility. The records can be dropped off, mailed or faxed to (906) 485-4080.
- *Please do not park in the front loading area for extended periods of time. This area is for emergency vehicles, drop-offs and pick-ups.

Thank You!
