FROM THE ADMINISTRATOR

Welcome to the December Newsletter.

Our construction continues on schedule. The front lobby and office renovation is nearing completion and we should be able to start using the main entrance in the next couple of weeks. Thanks for your patience and cooperation as we move through the different phases of the project.

Remember, with our limited space if you want a private room for a holiday meal and/or party with your family, please let Tina Koski, Activities Director, know well in advance.

I hope everyone has a Merry Christmas and Joyous Holiday Season.

Jerry

Hand Hygiene and Phone Etiquette

With Influenza season up on us, we want to do all we can to protect your loved ones. Clean hands are the strongest method to prevent the spread of illness within the facility. We encourage you to ask staff if they have performed hand hygiene if you are ever concerned that there was a missed opportunity to do so. This may be in the form of hand sanitizer use or hand washing. We also ask that visitors please use the hand sanitizer located at the entrance when they enter the building. Everyone should be performing hand hygiene before and after food handling, bathroom use, contact with the animals, resident care or sneezing/coughing. As always we continue to ask that visitors only come when they are healthy and not experiencing any symptoms of illness. Thank you!

Dining time is a great opportunity for socializing with our loved ones and family members or friends. To provide the best environment for everyone here, we ask that you please silence your phones, or turn them to vibrate when in a dining room or activity setting. Please feel free to take a call if needed, but we are asking that the ringers are not audible. Thank you!
