JUNE 2019

FROM THE ADMINISTRATOR

Our Grand Opening/Open House celebration May 22nd was quite successful. We had over 100 people attend. There were some great door prizes, congratulations to the winners!

We have found that our rehab beds on the 700 wing and private rooms for rehab on the 100 wing fill up fast. It has been necessary to place rehab patients outside these areas until rehab space opens up. The wait should not be long, however, as the length of stay in these areas is short. As a reminder, if someone comes for a short stay and circumstances change that require the stay to become permanent, placement will be made elsewhere in the building.

As the temperatures begin to rise and the flowers begin to bloom, we encourage everyone to utilize our outdoor areas. We have beautiful enclosed courtyard. One off the main dining room and one outside the Therapy Room. Fenced in areas at the end of 500&600 wings are also available. There is a new patio at the end of the 700 wing that also connects to the boardwalk. Please ask if you need assistance. Thank you, Jerry

Oh, Say Can You See

June 14 is Flag Day in the United States, a day commemorating the adoption of the American flag by the Second Continental Congress in 1777. Known as “Old Glory,” “Stars and Stripes,” and the “Star Spangled Banner,” the flag has 13 equal horizontal stripes, alternating red and white, symbolizing the original thirteen colonies. The canton, the rectangle in the upper left hand corner, is blue with 50 white stars, representing the 50 states. Throughout America’s history, there have been 39 different flag designs, with the stars of the canton changing each time a state was added to the Union. Canton designs, before the 48-star flag, had no official arrangement of the stars. Sometimes they were in a circular pattern and other times in the pattern of a star. Since 1777, one thing hasn’t changed: the American flag has always stood for freedom.
