## January Employee Of the Month Erica Josephson

Nominated by 2 residents 1 employee

Erica is easily my favorite person that works at MCMCF. She always has a great attitude and encourages me to do the same. She genuinely cares for her residents and always tries to involve them or entertains them in some small way. We all know showers is the worst assignment, but she always does it with a smile on her face. Her residents love her. She is always making them laugh and having fun.

## Welcome to the January Newsletter

Happy New Year! 2021 couldn't come soon enough. With both the residents and staff that want to be vaccinated getting their first shots on January 6<sup>th</sup>, we are hopeful this starts a return to normalcy. Walgreen's will be coming to administer the vaccine a total of three times with a second stop in February and a third in March. We have not received guidance on where we go from here but will get information out as soon as we do.

The percent of the overall population of Marquette County testing positive has been in decline for a few weeks. Last week it was 3.9% which is a great improvement over where it had been. We are only testing staff once a week now as long as this percentage stays below 10%.

Here's to all of us having a safe and prosperous New Year!
