## Welcome to the June Newsletter From the Administrator

Indoor and outdoor visits are going great. All visits require an appointment. Please contact Nick at 906-204-1021 to set up an appointment on the 100, 200, 300, or 400 wing or Jeremy for the 500 and 600 wings at 204-1017. Our guidance still recommends that indoor visitors get COVID tested.

If you are being tested, call the main desk (if you have a cell phone) when you arrive. You may park in the loop by the main door, and someone will come out to your car and perform the COVID test. You can then park and we will notify you when your test result is available. We are leaving the rows closest to the door reserved for visitor's parking for your convenience. PLEASE be on time as the visits are tightly scheduled and being late disrupts the schedule.

Rules for visits: Visitor(s) must have their temperature taken and complete a symptom questionnaire prior to visit. There is a 30-minute time limit. Visits are limited to Monday thru Friday due to staffing and reporting requirements. Two visitors maximum are allowed at a time. You must be at least 14 years old. For indoor visits, a facility provided close-fitting mask must be worn. 6 feet distance must be maintained between resident and visitor (except for during hugs).

Visitors will be educated on these rules and agree by signature to abide by them.

New guidance came out last Friday that we are evaluating and may allow more lenience on the mask and distancing rules for fully vaccinated residents. We will put this information out as soon as we can.

The 700 wing is primarily used for isolation of new admits for 14 days and symptomatic residents. The guidelines do not allow for inside visitation for residents in isolation except for end-of-life visits.

In addition to the visits outlined above, we encourage you to visit your loved ones by arranging FaceTime, telephone, or outdoor visits by setting up appointments with the Activities department. Window visits are also allowed, but times must be arranged so we have a phone for the resident as the window MUST remain closed.

We continue to closely monitor residents for symptoms. Staff also are being screened before their shift for symptoms.

**We also strongly encourage everyone to get the vaccine as soon as you can. It is very effective at controlling the spread of the deadly COVID-19 virus.**
