

August Employee Of the Month

Penny Miettinen

Nominated by 1 Staff

“She is always a pleasure to work with” said one of her coworkers in the dietary department. Penny is understanding and supportive of those she is working with. She shows respect and offers help when someone is struggling to learn a new skill. By building up those around her, she is helping to create a better work environment for everyone. She knows our residents likes and needs and finds new recipes that she knows they will enjoy. She is proactive when a process or menu item is not working. She comes up with solutions of how to improve and does not dwell on the negative. She also often volunteers to pick up and work double shifts.

*Happy
Birthday!*

August 24 Toni Saari

August 27 Accordion Music / Wil Kilpela

Welcome to the August Newsletter From the Administrator

It's been great having more visitors! Because we have so many visitors, Sheri in the front office is handling the scheduling of visits for the ENTIRE building. She can be reached at 906-204-1014. Please leave a message if she is not at her desk. We ask that you call this direct number to reduce the increased volume of calls going through the receptionist and that you make the appointments at least 24 hours in advance. We are excited to put this in place as it will free up our activities staff to have more group activities. Thank you for your patience as we work to make this process as efficient as we can.

Rules: For indoor visits, COVID testing is advised if not vaccinated. If you are being tested, call the main desk (if you have a cell phone) when you arrive. You may park in the loop by the main door, and someone will come out to your car and perform the COVID test. You can then park and we will notify you when your test result is available. We are leaving the rows closest to the door reserved for visitor's parking for your convenience.

Rules for visits:

1. ALL Visitor(s) must have their temperature taken and complete a symptom questionnaire prior to visit. Vaccination status and COVID contract will be signed.
2. There is a 30-minute time limit. Visits are preferred Monday thru Friday. Weekend visits require prior notice, but please schedule by the Friday before.
3. Two visitors maximum are allowed at a time indoor visits, up to 4 for outside visits.
4. A paper surgical mask (facility provided) MUST be worn in and out of the Facility. Appropriate social distance will be maintained unless you provide proof of being fully vaccinated and the resident you are visiting is fully vaccinated. Masks must be worn until you are in the private visiting area.
5. The guidelines do not allow for inside visitation for residents in quarantine except for end-of-life visits.

In addition to the visits outlined above, we encourage you to visit your loved ones by arranging FaceTime, telephone, or Window visits (but times must be arranged so we have a phone for the resident as the window MUST remain closed) by setting up appointments with the Activities department.

If you are not feeling well or have COVID symptoms, please do not come to the facility and instead visit by one of the remote means mentioned above.

We continue to closely monitor residents for symptoms. Staff also are being screened before their shift for symptoms.

We also strongly encourage everyone to get the vaccine as soon as you can. It is very effective at controlling the spread of the deadly COVID-19 virus.

We also strongly encourage everyone to get the vaccine as soon as you can. It is very effective at controlling the spread of the deadly COVID-19 virus.
