Welcome to the June Newsletter From the Administrator

Welcome to the June newsletter. After our long winter warm weather has finally arrived. June is the traditional wedding month, and many people take their vacation in June.

Flag Day is celebrated on June 14. The first Flag Day celebration took place on June 14, 1861. William T. Kerr, who lived in Pittsburg, PA, is recognized as the person who created Flag Day. President Woodrow Wilson first proclaimed June 14 as "Flag Day" in 1916. President Calvin Coolidge issued a similar proclamation in 1927. But, you know how SLOW the government is? It didn't really officially become a holiday until President Harry Truman said so in 1949. So don't forget to fly your flag with pride on June 14th!

Father's Day wasn't recognized as a holiday until President Richard Nixon declared the third Sunday in June in 1972. Just like Mother's Day is a boon to florists, Father's Day generates about a billion dollars for men's clothiers and hunting and fishing stores. I personally preferred anything my kids made me by hand, especially cards!

A lot of residents and families want to be outside to enjoy the beautiful UP weather. We have lots of areas around the building to visit. Don't forget the Boardwalk. Remember to let a staff member know that you are taking a resident outside no matter what area you choose.
