December was a busy month with the Holidays.

FROM THE ADMINISTRATOR

Hello Everyone,

We hope you had an enjoyable holiday season. If your family is anything like mine, there was a lot of holiday food consumed. If you are bringing food in for a resident, it is very helpful if you label it with their name and the date you are bringing it in. There are regulations surrounding food in our refrigerators and things are not labeled they can be inadvertently removed from the fridge earlier than necessary.

We have had a few staffing changes in the building over the last few months. Theresa Johnson has joined us as our Risk Manager/Infection Preventionist. She is an RN that is familiar with the building as previously worked in other nursing capacities and has returned to us. Theresa grew up in Negaunee and now lives in Ishpeming with her two dogs Killian and Buddy. In the summer she enjoys riding her Harley and spending time at camp. Her other pastimes include reading, knitting, and spending time with her parents. Theresa's two adult children Nataline and Camron both still live in the area. Welcome back Theresa!

Chelsea Vander Schaaf has joined us as the RN Treatment Coordinator and will oversee the nurses that work with skin. Chelsea grew up in Ironwood and traveled the country from coast to coast for 10 years settling back in the UP in 2016, now living in Negaunee with her boyfriend raising her 3 girls. They also have a Standard Poodle and Bassett Hound. Chelsea says she loves working out at boot camp and mountain biking as well as being on the water. Welcome to the team Chelsea and thank you Theresa Virta for coming "out of retirement" once again to help with training.
