Employee of the Month Peggy Rochefort

Nominated by 28 employees

Peggy Rochefort is one of the best schedulers that we have had at the facility. She is very accommodating and flexible with the schedule and is always lending a helpful hand when needed. Even on crazy days, she has a smile on her face and is a delight to work with.

Friendly reminder

If you intend to bring your pet dog to the facility to visit a loved one, please adhere to the following guidelines. It is imperative that pet owners assume full responsibility for their pets and ensure that they remain under control at all times, either leashed, carried, or in a pet carrier. Additionally, it is required that pets have current immunization records, including up-to-date rabies vaccination, in order to be eligible for visitation. Kindly present the receptionist with a recent copy of your pet's vaccination record for our records.

The Activity Department seeks donations of individually wrapped candy for use in the upcoming Trick or Treating event. If you wish to contribute, please kindly drop off your donations in the front lobby or the activity room. We appreciate your continued support. Thank you.

FROM THE ADMINISTRATOR

Hello everyone,

I want to start off with a heartfelt Thank You to everyone that supports our residents and facility. We often have offers of support from the public in the form of donations of clothing and puzzles. At this time, we are at max capacity for those types of donations and therefore will need to decline future donations of those items. If you would like to discuss donation of items other than clothing or puzzles, please feel free to call the facility.

A friendly reminder that our fire code does not allow us to have extension cords or power strips in resident rooms. If you or your loved ones' needs are not being met by the amount of outlets available, please let us know so that we can sort out the best approach. We love when family members are able to come and eat with their loved ones during meal time, but want to remind everyone that meals are \$5 for visitors. This includes all units of the building. Tickets can be purchased in the front lobby or cash can be taken at meal time.

We will be bringing back the unit family meals next year. It has been several years since we have hosted them. Annually we will bring each wing and their families together for a nice meal. Invitations will be mailed out quarterly and we will begin with the 100/700 units in the early part of 2025. Everyone keeps asking when we will have a fish fry, and we did learn some things from our first go round, particularly with equipment and the necessary permitting from the Health Department. We hope to be able to host something similar next fall.

As always, if you have concerns, comments, or suggestions please feel free to stop up in the front office to see me.

Thank you! Denise Perry

Kyle Pruett, CNA, finished the Marji Gesick 50 mile race, which is actually 65 miles. It has been called one of the toughest single-day races in America by a professional mountain biker.

Congratulations Kyle!

Linda Kennedy, Dietary, snagged a bear during bear hunting season. Linda has been hunting for years and looks forward to this time of year.
