Fourth of July Celebrations

From the Administrator

Hello everyone,

I write this as we are undergoing our long awaited phone system upgrade. This comes on the tail of our internet upgrade earlier in the year, which did provide some improvement with our dropped calls. We are cautiously optimistic that this will resolve the rest of the troubles we experience with our poor phone reception. We do expect a learning curve for our staff with the new system. Please be patient with us and feel free to reach out to me with any concerns at dperry@mqtcmcf.org.

We are eagerly awaiting an affordable option for fiber net as our building and our residents use the internet for more each day. Fiber net would give us the best opportunity for reliable and faster connection. I have reached out to several vendors that state it should be available in our area soon. Some of you that live close to our building may have received requests for utility pole access. There is a chance that those requests will allow fiber network to get to our area sooner.

Thank you to everyone that participated in the resident surveys that were mailed out. The input is very valuable to us. As we review those it helps us prioritize the changes we need to make in the building and also provide feedback to our staff for the things they are doing well.

Thank you!

Victoria Frailing, who works in Laundry, is the proud Aunt to Liam Richard Frailing. 9lbs 6oz. Parents are Jacob and Carli Frailing.
