FROM THE ADMINISTRATOR

Hello everyone,

It is a lovely unseasonably warm day today. It has been so nice to see the residents being able to enjoy the outdoors a bit longer this year. As you may have noticed, the last couple years we have had sunshine aides for 10-12 weeks over the summer. This is staff that is dedicated to assisting residents to get outside. It has been successful, and we hope to be able to do the same thing next year.

As Fall approaches, it brings with it freezing rain at times. We do our best to keep the parking lot as free from ice as possible. Please be cautious and notify us if you see any hazards. Hopefully we will be able to avoid any snowfall for the month of October.

Over the next month or two we will be moving some offices, in particular the nursing supervisors will be combining into one office near the Beauty Shop. We will keep you posted as to the approximate date of this change. The goal is to have a more central location to improve service to residents and families.

Just a friendly reminder that when you are exiting the door, please use caution to make certain a resident is not behind you. There are many residents that would not be safe outside without supervision. Feel free to ask staff for assistance.

We are working towards some 2026 solutions to better manage the traffic at the front door when the receptionist is here. We understand the frustration it may cause with long wait times at the door for staff assistance.

As always we appreciate your support of the facility. It is a privilege that you have chosen us to care for you or your loved ones.

Thank you!

The Activity Department is looking for donations of individually wrapped candy for our upcoming Trick or Treating event. If you would like to contribute, please drop off your donations in the front lobby or the activity room. We appreciate your continued support. Thank you!
