Employee of the month

Lisa Mattila

I would like to nominate Lisa Mattila for EOM. Today while in the hall I overheard her talking to a resident. Lisa had brought the resident in some "cheaters" after the resident told her she couldn't read any of her cards or books. The resident was overjoyed to the point of tears because she could finally read. It's nice to see someone going above and beyond for those they care for.

FROM THE ADMINISTRATOR

Hello everyone,

I really thought I would be done writing about snow, but it sounds like the first week of April forecast has more coming our way. We recently approved a bid for HVAC replacement in part of our building, and I am starting to wonder whether we will even need air conditioning this summer. Let us hope that we are not lighting Independence Day fireworks from the snowbanks.

I am sure many of our residents have cabin fever as I do and are anxious to get outside. Just a reminder that not all residents are safe to be outside alone, so if a resident is trying to leave the building with you, please notify a staff member immediately. If there is a resident that is near a door trying to get outside, staff can assist the resident to a safer place. We do plan of having summer help once again to get the residents outside more often.

I hope you all saw the information about our upcoming Community Council. It has had a long hiatus, but we are bringing it back. It will be held on the 700 wing in the dining room while the sunroom undergoes sky light repairs. It is an opportunity for families to provide feedback about what we are doing well, what we could improve on and help us plan for the future. We hope you can all make it on April 9th at 3:00 p.m.

Thank you!

Denise Perry

Friendly reminder: if you bring your dog to the facility, we require your pet to be up to date on vaccinations.
