Employee of the Month

Brandi Johnson

Brandi has been instrumental in trying different approaches with residents. When one method doesn't work, she quickly seeks an alternative. She often goes above and beyond, purchasing small gifts for residents simply to bring a smile to their faces. With her trusting and friendly demeanor, she makes each resident feel special and in control. She frequently takes the initiative, completing tasks without being asked, and is always willing to help others. Brandi never hesitates to advocate for her residents, treating them like family. Her compassion, devotion, and kindness should be recognized.

The Fabric of Freedom

June 14 is Flag Day in the United States, a day commemorating the adoption of the American flag by the Second Continental Congress in 1777. Known as “Old Glory,” “Stars and Stripes,” and the “Star-Spangled Banner,” the flag has 13 horizontal red and white stripes symbolizing the original 13 colonies. The canton is the rectangle in the upper left corner. It’s blue with 50 white stars representing the 50 states, alternating in numbers of six and five per row. Throughout America’s history, there have been 27 flag designs, with the canton stars changing each time a state was added. Before the 48-star flag, canton designs had no official arrangement of stars. Sometimes they were in a circular pattern and other times in a star pattern. Since 1777, one thing hasn’t changed: the American flag has always stood for freedom.

We will be updating our suggestion forms to include contact information. We would like to follow up with families to follow up on areas of concern to see if our interventions have been effective. Thank you!
