Employee of the Month Jennifer Marietti

I would like to nominate Jennifer Marietti for Employee of the Month. She is always enthusiastic and brings a positive attitude to work every day. No matter how busy things are, she is constantly on the move, ensuring that residents are cared for and that tasks are completed efficiently. Jennifer is often the first person to step in when something needs attention and never hesitates to help others. As a resident, I truly appreciate her dependability and caring nature. She makes me feel valued and well cared for. Her energy and dedication make a meaningful difference in the lives of residents every day.

From our Infection Preventionist/Risk Manager

With summer coming to an end, respiratory virus season is right around the corner. The recommended 2026-2027 COVID-19 vaccine and Influenza vaccines are also coming out for this fall. Consents for the flu and COVID vaccination, along with vaccine information, will go out in the September bills. These signed consents or declinations need to be returned by early October so we can administer the vaccines promptly. Feel free to reach out to me if you have any questions.

Thank you, *Tina Nelson, RN, BSN*
